

Post-Class 5 Assignment

Build active learning into Post-Class 4 Assignment

Due: Session 6

Consider the class that you developed in the Post – Class 4 Assignment, and select one or two active learning methods to enhance student learning in that class.

Write out the learning outcome(s) that the active learning is designed to advance and discuss any issues and/or problems you may encounter.

Also list any props and or materials that you will need for the exercise.
